Amazing New Home Embracing the North and Great...

Centrally located on the southern Mornington Peninsula is this brand new, unique, cedar-clad home - a one-off offering: a quality lifestyle with expansive rural and golf course views of the Open Course at Moonah Links; parkland and tennis court opposite and entry to the Peninsula Hot Springs at your front gate. The house comprises 4 bedrooms and 3.5 bathrooms. The large, grey laminated, double-glazed windows throughout not only provide protection from the elements but also privacy and light-filled interiors.

The whole building is clad in slim shimmering timber slats of vertically running, sustainable western red cedar. The northern garden has facilities in place for a pool and is already enclosed with a high fence which offsets the property with its transparency.

At entry level are the private spaces: 3 spacious, double bedrooms (one with a luxury en-suite), a spacious family bathroom with bath tub and separate laundry. The large garage has internal access to the house and utility area. This level has views of the garden and adjacent open green-space and rural views.

The spine of the house, the wide, central staircase, leads up from the entry level to the living and entertaining spaces including a billiard room, and the master bedroom suite - all with sweeping views. These living spaces include two sitting areas, spacious dining area, gourmet kitchen and separate living/billiard room with bar and guest
