

18 The Ridge Rd, Fingal

Near-New, Luxury Home Surrounded by Green Space

Letting the *outside in*

Looking for an exclusive home with low maintenance, minimalist design? This recently completed three bedroom home is focused on long-lasting comfort and sustainability in this unique coastal environment at Moonah Links.

Here is an idyllic location to escape the city, downsize or even work from home. Conveniently, all daily living including the Main Bedroom is at entry level. A separation is created zonally between levels with two guest bedrooms, bathroom and second living room opening to full-width, covered deck, a full-width storage room /cellar on the lower level.

To make living here even more pleasurable, the design not only shows a clear understanding of space, the interplay of indoors and outdoors, it has harnessed innovative technology and design features in the quality fittings and fixtures, the orientation of the home, the way it interacts with natural light, shadows, heat and breezes to the unique feature of the full-width, open-air outdoor room – all make it so appealing.

With the outdoors playing such a significant role in everyday life at Moonah Links, the outdoor living area and internal living area overlooks the 16th green of The Legends Course and the surrounding green space. The large double-glazed windows/doors throughout the house lets you enjoy the surrounding natural environment without stepping out the door. The lower level of the home opens to the garden and green space surrounding the extra-large 16th green of The Legends Course.

The plan of the house is elegantly simple with thoughtful attention to detailing. The Entry with the large pivot door operated by self closing German floor spring and 3.6 metre tall ceiling creates a dramatic entry as do the 3 metre high ceilings throughout create dramatic internal spaces with clean, sharp lines and large picture windows that frame the views. Detailing features include: Glazing: Large sliding stackable doors to
