

## A Great Buy on Large Level Block in Superb Location at Moonah Links

*Wanting more living space indoors and outdoors, larger rooms, good separation and extra parking for boat or caravan and room for a pool?*

3 Old Tom Morris Lane is set on one of the few large, level blocks at Moonah Links (approximately 1019 sq m). The property sits above the 8th green of the Open Course and overlooks the 15<sup>th</sup> green of The Open Course. It is nestled between the 11th and 12th fairways of the Open Course in a highly sought-after location within this residential precinct. There are no more blocks of land available at Moonah Links like this, so for those wishing to make design changes to suit your needs to this substantial property, it can be easily achieved and only add more value.

This predominantly single level residence with golf course views from both levels has 3 living areas, 4 bedrooms and 3 bathrooms and offers so much for enjoying life in this unique coastal environment.

**At entry level:** open-plan living areas (including dining, family room and kitchen and separate living room) and bedrooms embrace the unique landscape surrounding this property by opening to paved terraces and outdoor living spaces that wrap around the house and offer views of the golf course. To enhance the aesthetics and comfort of this design, the open-plan living area extends to the covered, outdoor living area which overlooks the Open Course and is protected from the elements. Also on this ground floor level: laundry opening to paved side terrace; 2 bathrooms; guest powder room and generous amounts of storage.

**On the second level** is the large master/guest suite and another spacious living room with walk-in storage and opening to a full-width deck overlooking the golf course and beyond.

This residence offers so many extras when considering the purchase of a quality golf course home including:

🛏 4 🚿 3 🚗 4 📏 1,019 m<sup>2</sup>

**Price** SOLD for \$1,407,000  
**Property Type** Residential  
**Property ID** 522  
**Land Area** 1,019 m<sup>2</sup>
