Lot 305 Woodland Way, Fingal

Level, private and secure with views

A private, cleared and elevated but level building block of 748 sqm surrounded by ancient Moonah trees in a green wedge to one side. Situated in a secure, gated residential area of Moonah Links. The private entry to the block opens to a good level site to build a quality home in this prestigious area. The slight elevation provides views of the district and golf course.

This is considered a prime position not only because of its proximity to the clubhouse and the recreational facilities of Moonah Links but also because of its central location to enjoy the best of what the southern Mornington Peninsula has to offer. One hour from Melbourne and 10 minutes to Bay beaches and ocean beaches.

Call into our office in Reception at Moonah Links for more information about this superb block or if unattended give us a call - we won't be far away. View any day between 9am - 6pm.
